

Missy Ray

“I published my first book this year titled, Owl Forever Love You. It's about infant loss and never ending love written from the baby's perspective. I've been the lead singer in a local band here in Buffalo since 2005 and co-wrote and recorded 3 full length albums under our band name, Mystic Traversal in 2008 (Empty), 2009 (Tattooed In You) and 2010 (Destination Balance). I am also the Founder of Angel Gowns of WNY, Inc. a 501(c)(3) non-profit organization that creates Angel Gowns from donated wedding dresses for babies that have passed away. I am the Founder of Owl Forever Love You and I also create Birth Weight Owls under this name.”
