“I was DS dancer from about mid 80’s thru early 2000’s! I think my last show was either 04 or 05 (that’s kinda crazy!) I’ve been a licensed vet tech for almost 18 years with the last 10 spent at the Orchard Park Veterinary Medical Center. My 10-year wedding anniversary will be this September (2018). And we’ve created these 3 little monsters: Alex the football loving 7 year old, Carter our Michael Jackson loving 4 year old and Brock our lovable 1 year old! Also included in our family is Cooper, our rescue dog, and Pickles the cat!”
